## What our clients have to say about us?

### Advika Kurunji Architects

We had a positive experience working with Ujwal Kitchens. They offered modular aluminium cabinetry solutions for our institutional/healthcare project with precision and at a great price point. They were great to work with and paid attention to detail. The team was prompt with their service. We are very happy with the outcome.

### Aparna Kini

Very happy with the kitchen aluminium interior work. The finish looks modern and clean, and the quality feels strong and durable. The installation was done neatly and on time. The kitchen now looks more spacious and easy to maintain. Highly recommended!

### Alywin

My kitchen was done very well beyond my expectations. It was completed in 25 days with civil works. Workers were very professional and kept the site very clean. Reasonable and reliable company.

### Rakshu Nayak

I wish there were more Stars for rating!!!  
I would like to thank Ujwal Kitchen's team for an amazing job in renovating our modular kitchen, especially the team for constantly updating and following up with work from start to end.

### Mahesh Suvarna

Thank you, Ujwal Kitchen's team, for your outstanding support. We truly appreciate the excellent job on the kitchen and wardrobe works—our well-wishers have shared glowing feedback too! We're delighted with the results. Thanks again, and all the very best to Ujwal Kitchen and your team for future endeavours.

### Gowrish Rai

Excellent workmanship and very delighted with the outcome of my kitchen. Kaushal has been very professional through and through, and has delivered on the promise of good quality work and, more importantly, on tight deadlines. I highly recommend Ujwal Kitchen for any of your interior work
